Sir:

This is Applicant's Second Supplemental Response to the first, non-final Office Action dated Feb. 10, 2006. Applicant timely filed an initial full Response on July 10, 2006, and supplemented that on August 28, with additional amendatory language to Claims 1 and 11.

As a result of the telephone Interview conducted Sept 12 between Applicant, undersigned Counsel, Examiner Myint and Examiner Truong, Applicant on Sept 12 filed by Express Mail an archival CD of the QuickTime movies 1 - 3, and made of record the Telephone Interview.

Examiner Truong raised in the Interview the point that the language "collection-based" in Claim 1, c) i) and in Claim 11, c) i) seemed indefinite. Accordingly, Applicant in this paper makes further amendments to those claims to clarify that language. No fee is due.

However, in the event this is in error, please charge any additional fee due to Deposit Account 04-1699, and reference Attorney Docket # 7118-001US to assist counsel in tracking fee charges. There are still only 20 claims in the case, of which 2 are independent and 18 dependent.
